A CITY INSPIRED BY THE SKY...

DESIGN PHILOSOPHY

Laxmi Skycity, located on S.P. Ring Road – the axis of future development in Ahmedabad – spreads across 3.7 acres. The project includes five 22 storey apartments and designated built space for commercial activity. Nestled in prime real estate, Laxmi Skycity ushers in a lifestyle that is modern, comfortable and convenient.

At Laxmi Skycity, the abundance of open spaces and greenery is a striking feature of the design. The internal landscape blends beautifully with the stunning architecture. Adorned with manicured lawns, shaded walkways, variety of water features and activity spaces, Skycity makes for an oasis of tranquil and contemplative spaces for a quiet sit-out or even community activities.

The main entrance is crafted in a manner that keeps the internal vehicular flow completely separate from the pedestrian movement while providing easy access to designated drop-off points for each tower. These dedicated drop-off points are surrounded by elegant lawns and gardens, creating a visual effect of almost bringing this landscape into the foyer area.

Standing tall with 22 storeys, Laxmi Skycity is iconic in its own sense, providing you with a breath-taking panoramic view of the city. This height not only makes optimum use of ventilation and natural light, but also helps you disconnect from the humdrum of everyday life. The intelligent planning ensures that all apartment units are road facing while taking special care that no two flats look into the other, thus ensuring complete privacy.

These 3 BHK flats have been designed to provide you with all modern amenities. All shared facilities like gymnasium, swimming pool, home theater, club house, spa and jacuzzi are centrally located in the lower plaza creating a dynamic community, making Laxmi Skycity the ideal place to build your home.

Presenting one of the country's finest retail spaces within the boundaries of your home, Laxmi Skycity is conveniently situated, offering hassle free access to all prime areas of the city. Lined with global brands across all categories, its strategic location will help you catapult your business to higher limits. The striking double height foyer spaces of showroom add a bold statement to your enterprise with a touch of élan.
